TOWN HALL MEETING

THURSDAY, FEBRUARY 8, 2018

7- 9 PM 221 Natural Resources

Moderated by Georgia Peterson & Kimberly Chung
with Interim Chair Mike Hamm & Associate Chair John Kerr

All CSUS students, faculty, and staff are encouraged to attend and voice their concerns. Our purpose is to be with each other and hear each other. Participants may ask questions, share whatever is on their mind aloud or in written form, and hear how others see the situation. There will also be a space to provide input on how we can move forward, act locally, and regain the pride we feel in our university.
