Dear **CANR Student Leader**,

I wanted to take a moment to both thank and encourage you during this very difficult time for the MSU community.

We stand with survivors of sexual assault, and must make MSU a place where sexual assault and harassment is not accepted. To do this, we must begin to listen, more attentively, to all of our community members.

I am hoping that you will join me as a student leader in our college to talk about how our college might help to lead the way on campus in these efforts.

Please join me at 6 p.m., Tuesday, Feb. 6 in 1310 Anthony Hall.

We will provide a light dinner, to ensure we order the right amount of food, **PLEASE RSVP** by replying to this email.

Sincerely,

Ron Hendrick
Professor & Dean
College of Agriculture and Natural Resources
