Department of Community Sustainability Town Hall

Thursday, February 8, 2018

7-9 PM, 221 Natural Resources Building [and 225 if necessary]

The purpose of the Town Hall is to provide a space for members of our community to ask questions and share concerns about the recent events at MSU. All CSUS students, staff, and faculty are invited to attend.

The sessions will be moderated by Georgia Peterson and Kimberly Chung. Mike Hamm and John Kerr, CSUS Department Chair and Associate Chair, will also be on hand to answer any questions. In the interest of supporting a safe environment where all concerns can be heard, no cameras, recordings or members of the press will be permitted. Our purpose is to be with each other and hear each other. Participants may ask questions, share whatever is on their mind, and hear how others see the situation. For those that prefer to share their thoughts in written form, there will be an opportunity to do so.

All students, faculty, and staff are encouraged to attend and voice their concerns. There will also be a space to provide input on how we can move forward, act locally, and regain the pride we feel in our university.
