Hello

I'm

sure you've been keeping up with the the Larry Nassar case and feel the frustration at the board of trustees and the lack of transparency in appointing John Engler. As members of the MSU community we cannot allow this lack of transparency to become a precedent.

Student leaders on campus are scheduling an emergency meeting for both RSO's and student leaders. We need to create a collective list of demands to hold the University accountable for its actions, and we would love if you would send a couple representatives

to this meeting. It is on Tuesday at 9 p.m., location TBD. Can we count on seeing you there? If you're unable to view the facebook event, please contact me and let me know.
